About Esteem Multi-Academy Trust

Esteem Multi-Academy Trust currently comprises of eleven academies throughout Derbyshire, Derby City, and east Staffordshire. Formed by a group of like-minded school leaders in August 2018, the MAT is currently responsible for the education and care of approximately 1,200 students and employs around 750 staff. The total revenue budget for the MAT is approximately £23 million and plans are in place to expand further.

Esteem Multi-Academy Trust includes 7 special schools, 3 alternative provision academies and a mainstream infant and nursery school with an enhanced resource provision educating young people with autism and learning disabilities. We wish to grow further to fulfil our vision to become a centre of excellence for special educational needs and disabilities (SEND) in the midlands. We have a well-defined set of values and a clear vision for the MAT to become a regional hub for expertise in SEND and inclusion. We share a collaborative ethos, believing that we can achieve more for our pupils as a collective group of schools than we could separately. Our academies focus on the holistic needs of the young person, due to students' vulnerabilities. So, 'joined-up thinking', between our academies and different agencies, is essential to deliver the right support for our students.

The main aims of Esteem MAT are to:

- Provide an ambitious, inspirational, bespoke education, setting the foundation for the future and ensuring our young people are ready for the world;
- Deliver high standards and value for money from our support services, resources, estate and technology; and
- Invest in and support our people, exploiting opportunities for collaborative, continual professional development, sharing of expertise and best practice.

As a group of academies working together, we can share and deliver better practice. We will be able to commission health, care and therapy services in a fully 'joined-up' way.

Welcome from the Headteacher

Dear applicant,

Thank you for your interest in the post of Core Teacher at North East Derbyshire AP Academy, High Peak site. I am very pleased that you are considering applying to work at our Academy.

The North East Derbyshire AP (alternative provision) Academy provides education to students who are at risk of permanent exclusion or who have already been permanently excluded from mainstream education. Our provision caters for students in Key Stages 2, 3 and 4, at sites located in Chesterfield and in the High Peak.

Whilst the majority of our students have been permanently excluded, we work closely with local school clusters and the local authority to provide education opportunities to young people who are at risk of exclusion. Such placements have been highly successful in preventing numerous permanent exclusions in Derbyshire.

We are committed to working in partnership with young people, their parents and carers, their schools and other agencies to re-engage and enable them to become successful learners and responsible citizens. Where students are able to demonstrate positive behaviour and a desire to achieve, we aim to help them transition back to mainstream school. For those who require a more alternative approach, we provide a balanced and varied curriculum, delivered through high quality teaching and learning.

Alternative Provision is not a last resort for young people. For some it is the most appropriate way to meet their needs and put them back on a pathway to success.

As well as making a positive contribution to the lives of our students, we can offer you:

- a supportive, collaborative, and friendly staff environment in a setting where you will have the chance to make a real and positive impact on the lives of NED APA students.
- professional and continuous training programmes and a supportive career progression.
- generous pension schemes (Teachers'/ LGPS Pension Scheme)
- A range of health and wellbeing services through Westfield Health
- Free, on-site car parking
- School social events
- A commitment to staff well-being.

We welcome applications from candidates who, having read the application pack, feel they have the necessary skills and experience to fulfil the role.

The closing date for applications is midday 10 December 2021.

Interviews for this post will be held w/c 13 December 2021.

I wish you well in your application.

Yours faithfully,

Matt Morris

Safeguarding and checks

Esteem Multi-Academy Trust is committed to safeguarding and promoting the welfare of all its students. We expect all staff, volunteers and agency staff to share this commitment. The successful candidate will be required to undertake a Disclosure and Barring Service (DBS) check. The possession of a criminal record will not necessarily prevent an applicant from obtaining this post, as all cases are judged individually according to the nature of the role and information provided.

Esteem Multi-Academy Trust's Safeguarding Policy applies to all adults, including volunteers and agency staff, working in or on behalf of the MAT.

Each student's welfare is of paramount importance. We recognise that some children may be especially vulnerable to abuse e.g. those with special educational needs and disabilities, those living in adverse circumstances. We recognise that children who are abused or neglected may find it difficult to develop a sense of self-worth and to view the world positively. We recognise that some children who have experienced abuse may harm others. We will always take a considered and sensitive approach in order that we can support all students within our academies.

The MAT pays full regard to the DfE 'Keeping Children Safe in Education September 2020' guidance. We ensure that all appropriate measures are applied in relation to everyone who works for the MAT who is likely to be perceived by the students as a safe and trustworthy adult including volunteers and agency staff. As part of our safer recruiting practises, we scrutinise applicants; verify their identity, academic or vocational qualifications, obtain professional and personal references, check full employment history and ensure the applicant's health and physical capacity is suitable to undertake the role. Interviews and DBS checks are also undertaken.

This post is exempt from the Rehabilitation of Offenders Act 1974 and therefore all convictions, cautions and bind-overs, including those regarded as "spent" must be declared.

If you are currently working with children, either paid or voluntary, your current employer will be asked about disciplinary offences, including those related to children or young people (whether disciplinary sanction is current or time-expired), and whether you have been the subject of any child protection allegations or concerns and, if so, the outcome of any investigation or disciplinary proceedings.

If you are not currently working with children, but have done in the past, that previous employer will be asked about these issues.

Where neither your current or previous employment has involved working with children or young people, your current employer will be asked about your suitability to work with children and young people, although it may be answered "not applicable", where appropriate, if your work has not brought you in to contact with children or young people.
